ODE ON INTIMATIONS OF IMMORTALITY

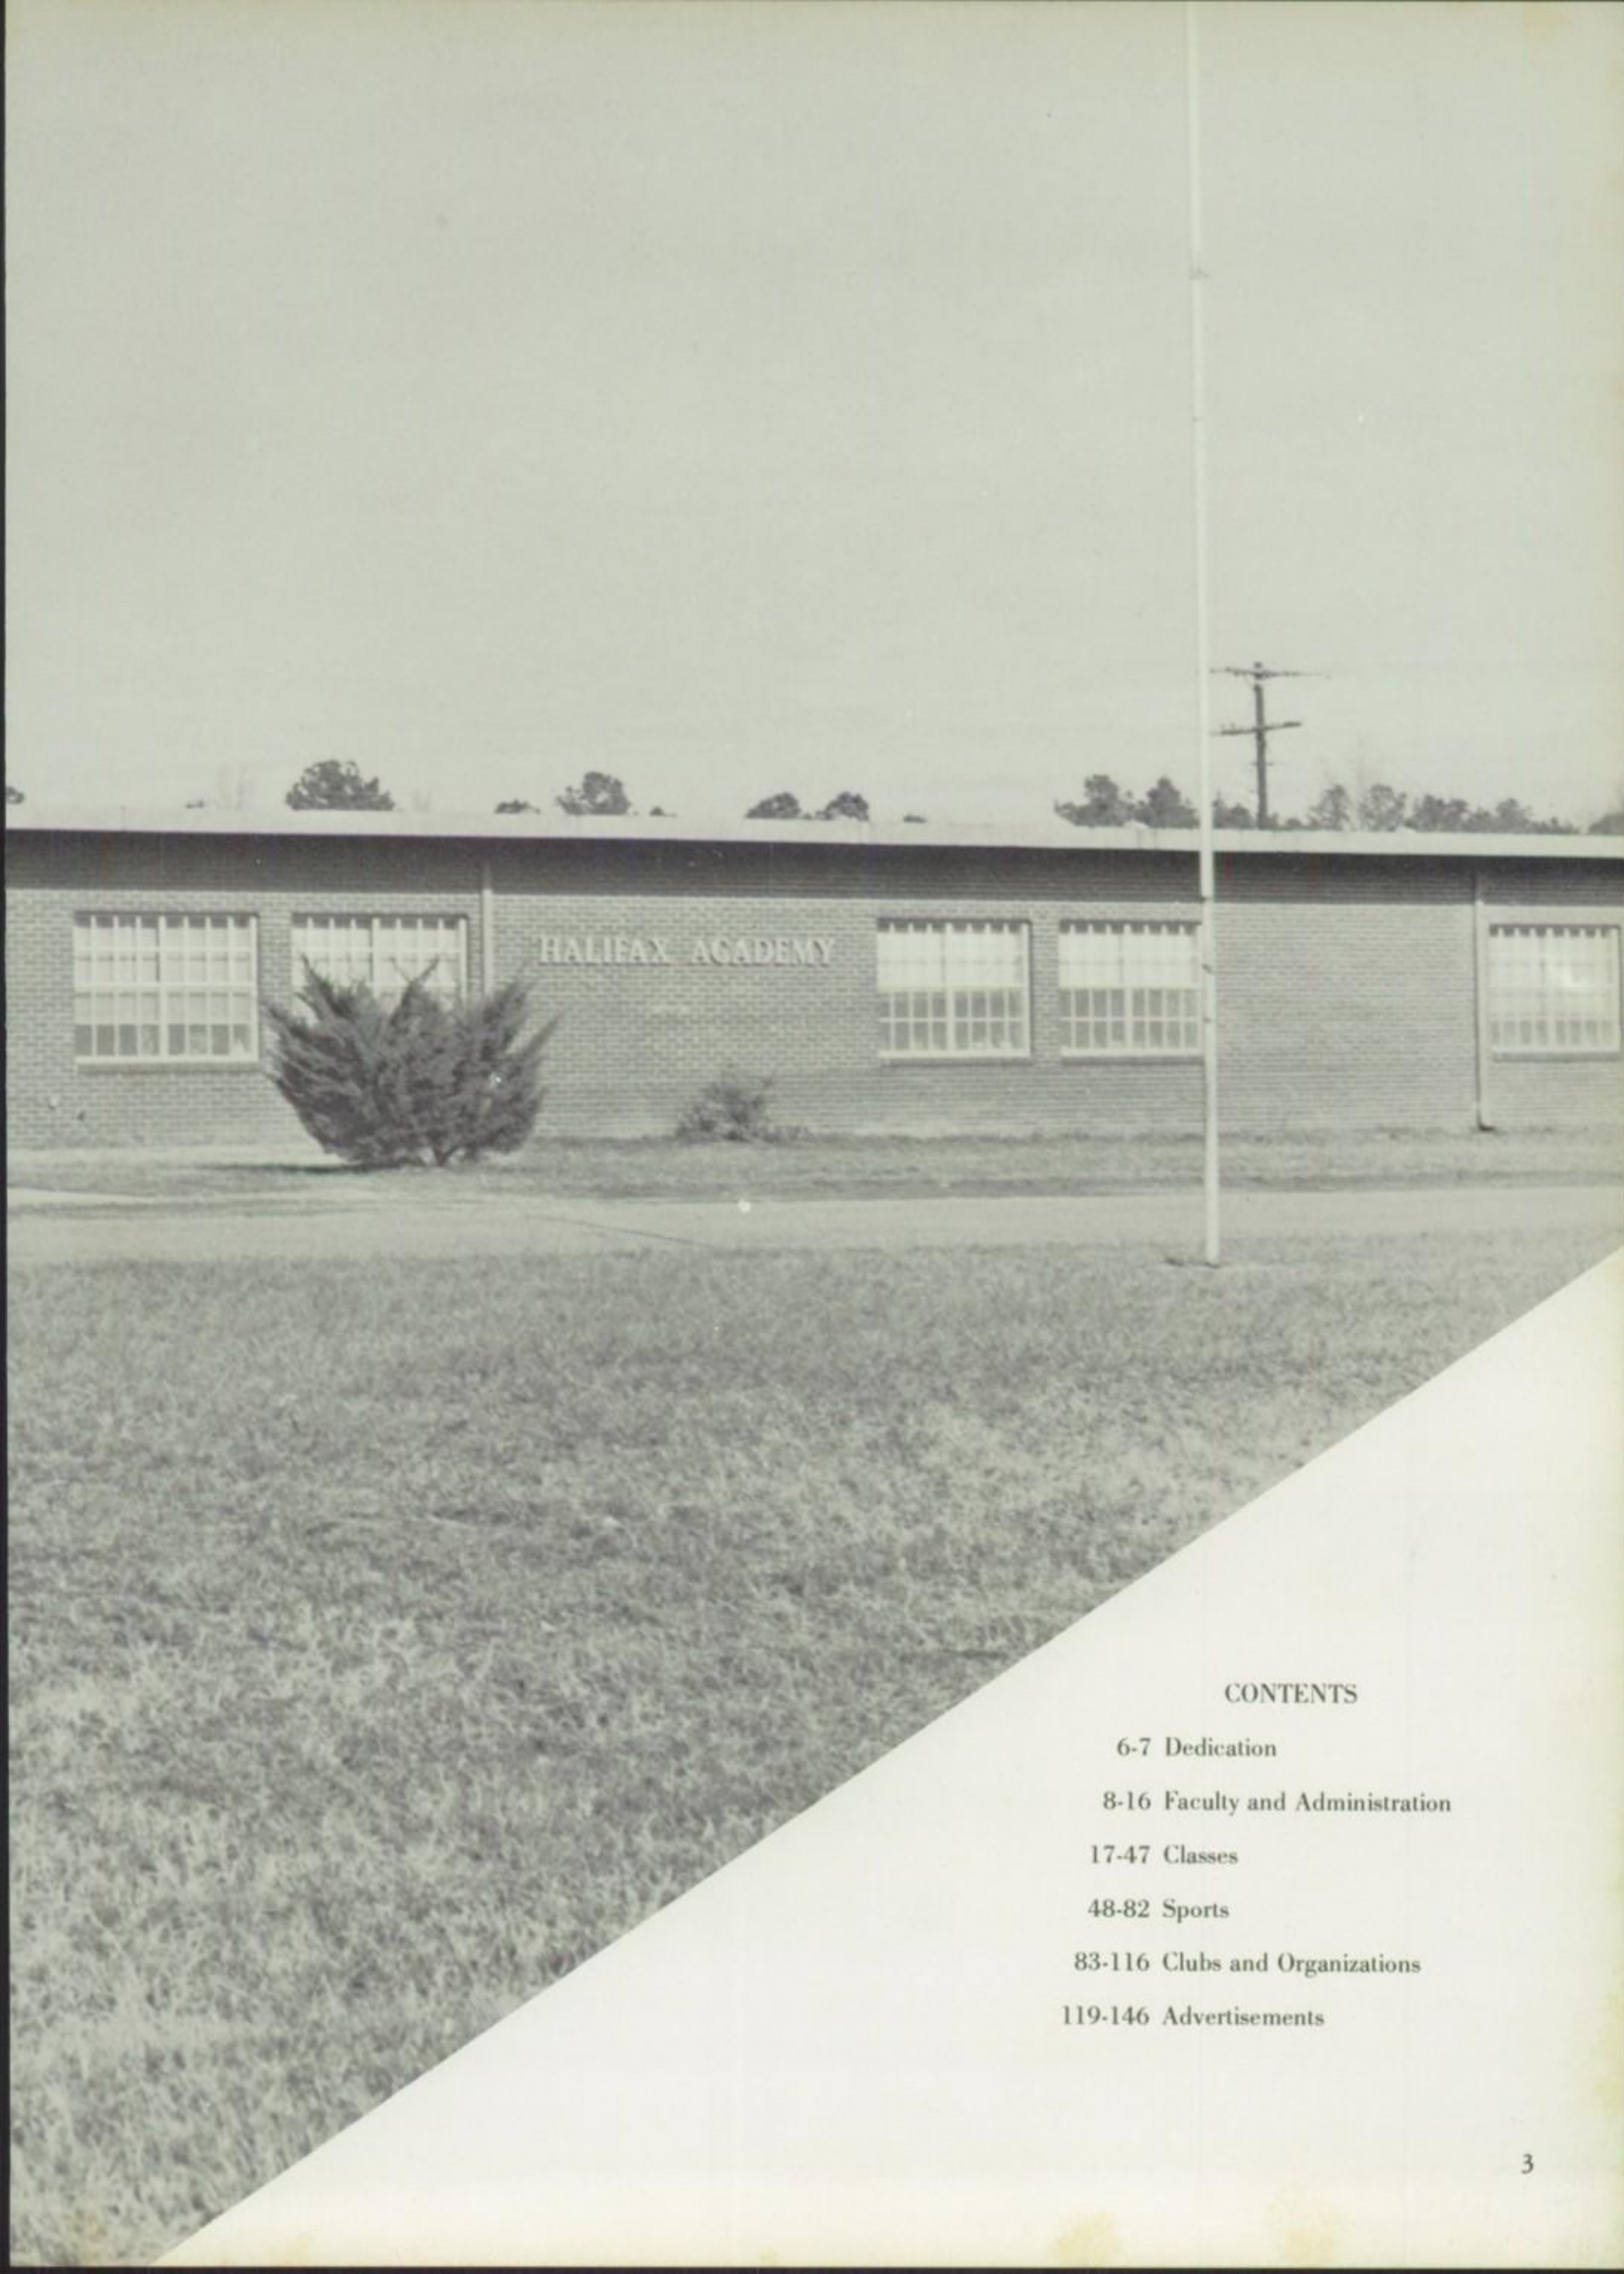

.... "What though the radiance which was once so bright
Be now for ever taken from my sight
Though nothing can bring back the hour
Of splendor in the grass, of glory in the flower:

We will grieve not, rather find
Strength in what remains behind;
In the primal sympathy
Which having been must ever be;
In the soothing thoughts that spring
Out of human suffering;
In the faith that looks through death,

In years that bring the philosophic mind."

OUR DEDICATION

If he could quote the greatest of mankind perhaps the following would be heard:

"A little science might possibly be a dangerous thing."

—Agatha Christie

or, "Learning without thought is useless; thought without learning is dangerous."

—Confucius

maybe, "There is no royal road to geometry."

—Euclid

but surely, "I teach only the truth, but that shouldn't make you believe it."

—Martin Henry Fischer

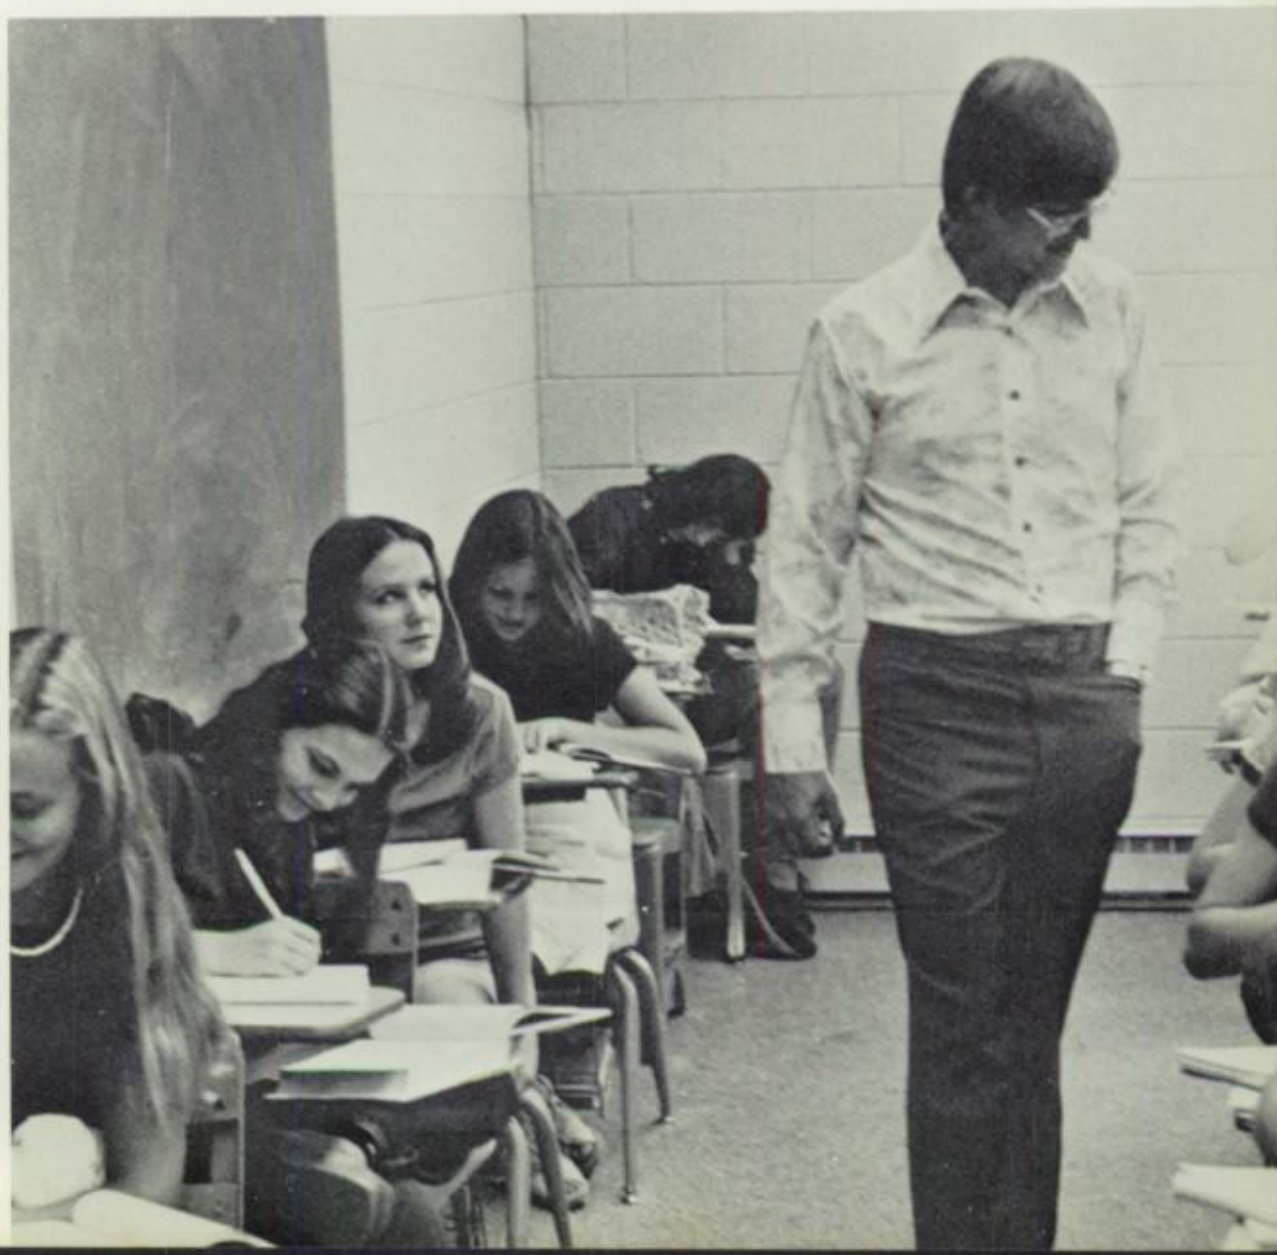

—He is never too busy to help those who try to help themselves.

—He sets an example for us, before he demands that we follow it.

—He is not only an instructor, but a friend as well.

In sincere appreciation for your honesty, concern, and love, we proudly dedicate the 1977 VOYAGER to you

Work! Work! Work! When do I stop?

Mr. Mayo has been our headmaster for the past four years. He always tries to find new things to benefit the school. He disciplines with a firm hand but is still a friend to anyone who needs one. All students and teachers would find it very hard to get along without his advice and guidance and we all want to say "thank you Mr. Mayo."

BOARD OF TRUSTEES

Seated left to right—Fred Owen, Chairman; Lewis Vincent, Secretary; Curtis Turner, Treasurer; Eugene Edwards. Standing—George Jenkins, Roy Cobb, Lee Wollett, Waverly Pearson, Carlton Garner, Gene Nelson, Gene Cobb, Bobby McGuire. Not Pictured—Hilton Peel, Vice-Chairman; Marvin Shearin, Bill Freuler.

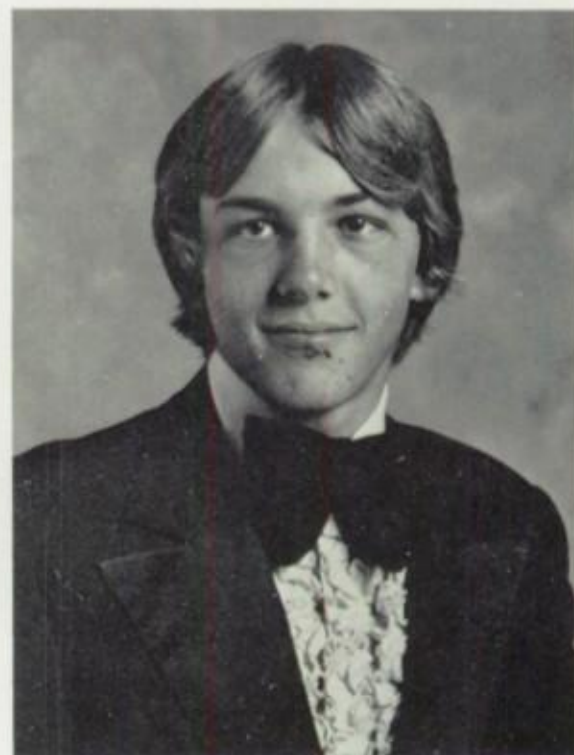

The Board of Trustees works in close association and cooperation with our headmaster, Mr. Mayo. Together they develop a private school system which provides each student with the opportunity to develop to his full potential.

1976 VIKINGS GO TO STATE PLAY-OFFS

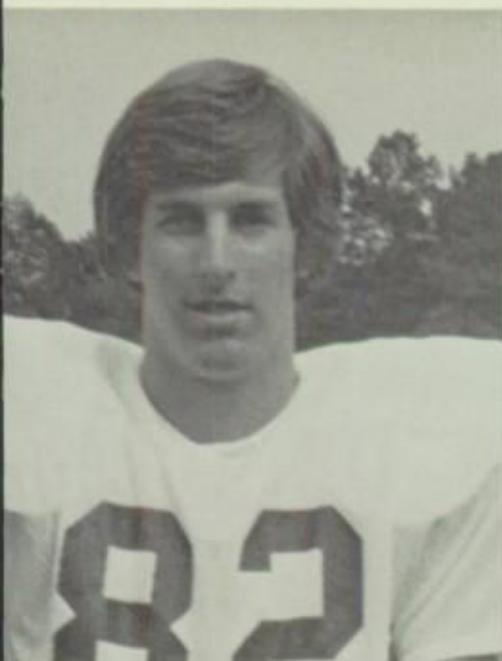

VIKINGS ARE '76 STATE CHAMPS

At the beginning of this year no one really knew what to expect of the Viking football team. They had lost only a few players from the year before, but they had also lost the coach. The new coach, Chunk Rook, came in and took charge at once. He worked the team hard and got them into top condition. Other teams from the conference said the Vikings were probably the best conditioned team they faced. This helped the team win many games throughout the year. When the opponent was tired and beaten the Vikings were still ready to play. This year the Viking team had leadership and encouragement from the coach and desire and determination from the members of the team like never before and this was a big reason for the success of the team.

The Viking squad would like to also thank the patrons and the many loyal fans who went to the games no matter what distance they had to travel. Without this we wouldn't be No. 1!

Viking's starting Defense

Senior members of the 1976 Viking team

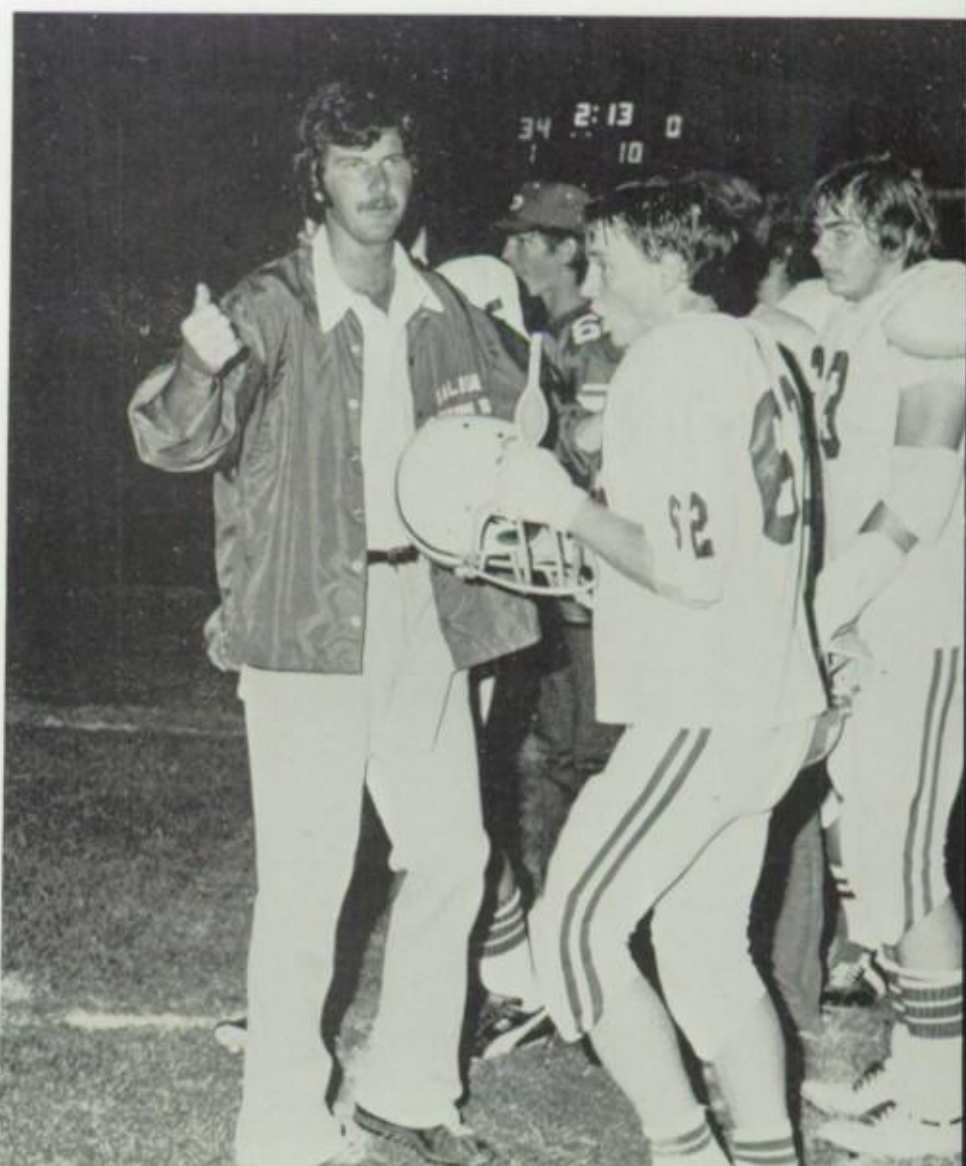

This page honors those that provided leadership to the team this year. The team was fortunate to have thirteen seniors on the team. Almost all of the seniors have played for four years on the team and they helped the underclassmen much this year.

The team was also fortunate to have such a good coach this year. Coach Rook was a person with whom all of the players could talk to when they had a problem. His great sense of humor and knowledge of football made it easy for the Vikings to win the STATE CHAMPIONSHIP.

The coach stands alone in his job.

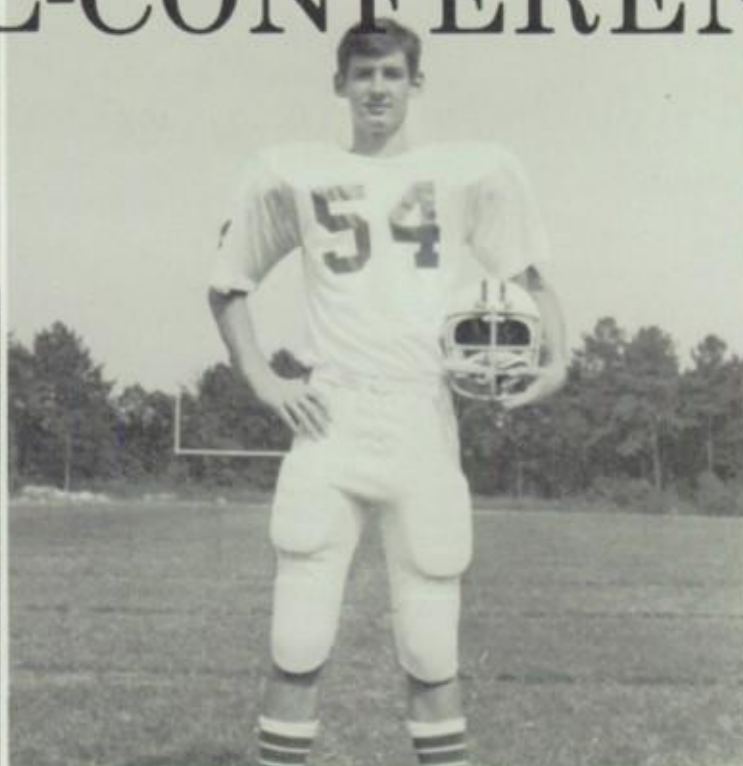

He is the leader on the field.

The 1977 Viking basketball team has been very impressive so far this year. The Vikings, under new head coach Chunk Rook, have had little trouble with any team this year. After an early season loss they have come back to go undefeated to this time. One reason for the teams success has been its determination and hard work. Another reason is the great amount of talent the Vikings have. The team has several players that the coach uses very much without hesitation. This is very important because the team has fresh players in the game at all times while the other team's players are tired. With the amount of talent the Vikings have they should go all the way.

1976 ALL-CONFERENCE PLAYERS

Last year's team placed two players on the ALL-CONFERENCE TEAM. They were (left) Quentin Gregory and (right) Darrell Wilson. It was a great honor for both of these players and for the team. They were very important in leading the team to the second round of the State Play-offs. The 1977 team is glad to have both of these players return to this year's team to help lead it to victory.

Front: Gloria West, Dee Pittman, Coach Kook, Tami Sigmton, Jackie Copeland. Back: Mary Jones, Cindy Fruler, Donna Harris, Nancy Fleming, Brenda Copeland, Wendy Hawkins.

A key part of the Vikings success this year has been the hard work of the managers. They are (left: l. to r.) Doug Nelson, James Kerr, and Steve Cobb. Being managers for both the boys and girls can be a very hard job. These boys work hard to do whatever they can for the players at the games and at practice. They have done almost every job that can be associated with basketball and the teams and the coach appreciates the things they have done. Without them the teams would have had to do more things for themselves and they are very happy to have had such good managers.

One of the main reasons for the success for the Vikings this year is new head coach Chunk Rook. He coaches both the boys and girls teams and has a very full schedule. Even so he never leaves the gym until he is satisfied with the teams practice. His hard work at the games and at practice has paid off greatly for the two teams. He not only works at school for the teams but at home also. He is always working on new offenses and defenses that will help the teams. Coach Rook is not only a great coach but is a good friend to all the players also. He is willing to listen to any problem any of the players have even if it doesn't concern basketball. This is another asset he has to making him a great coach. The teams greatly appreciate what he has done for them this year.

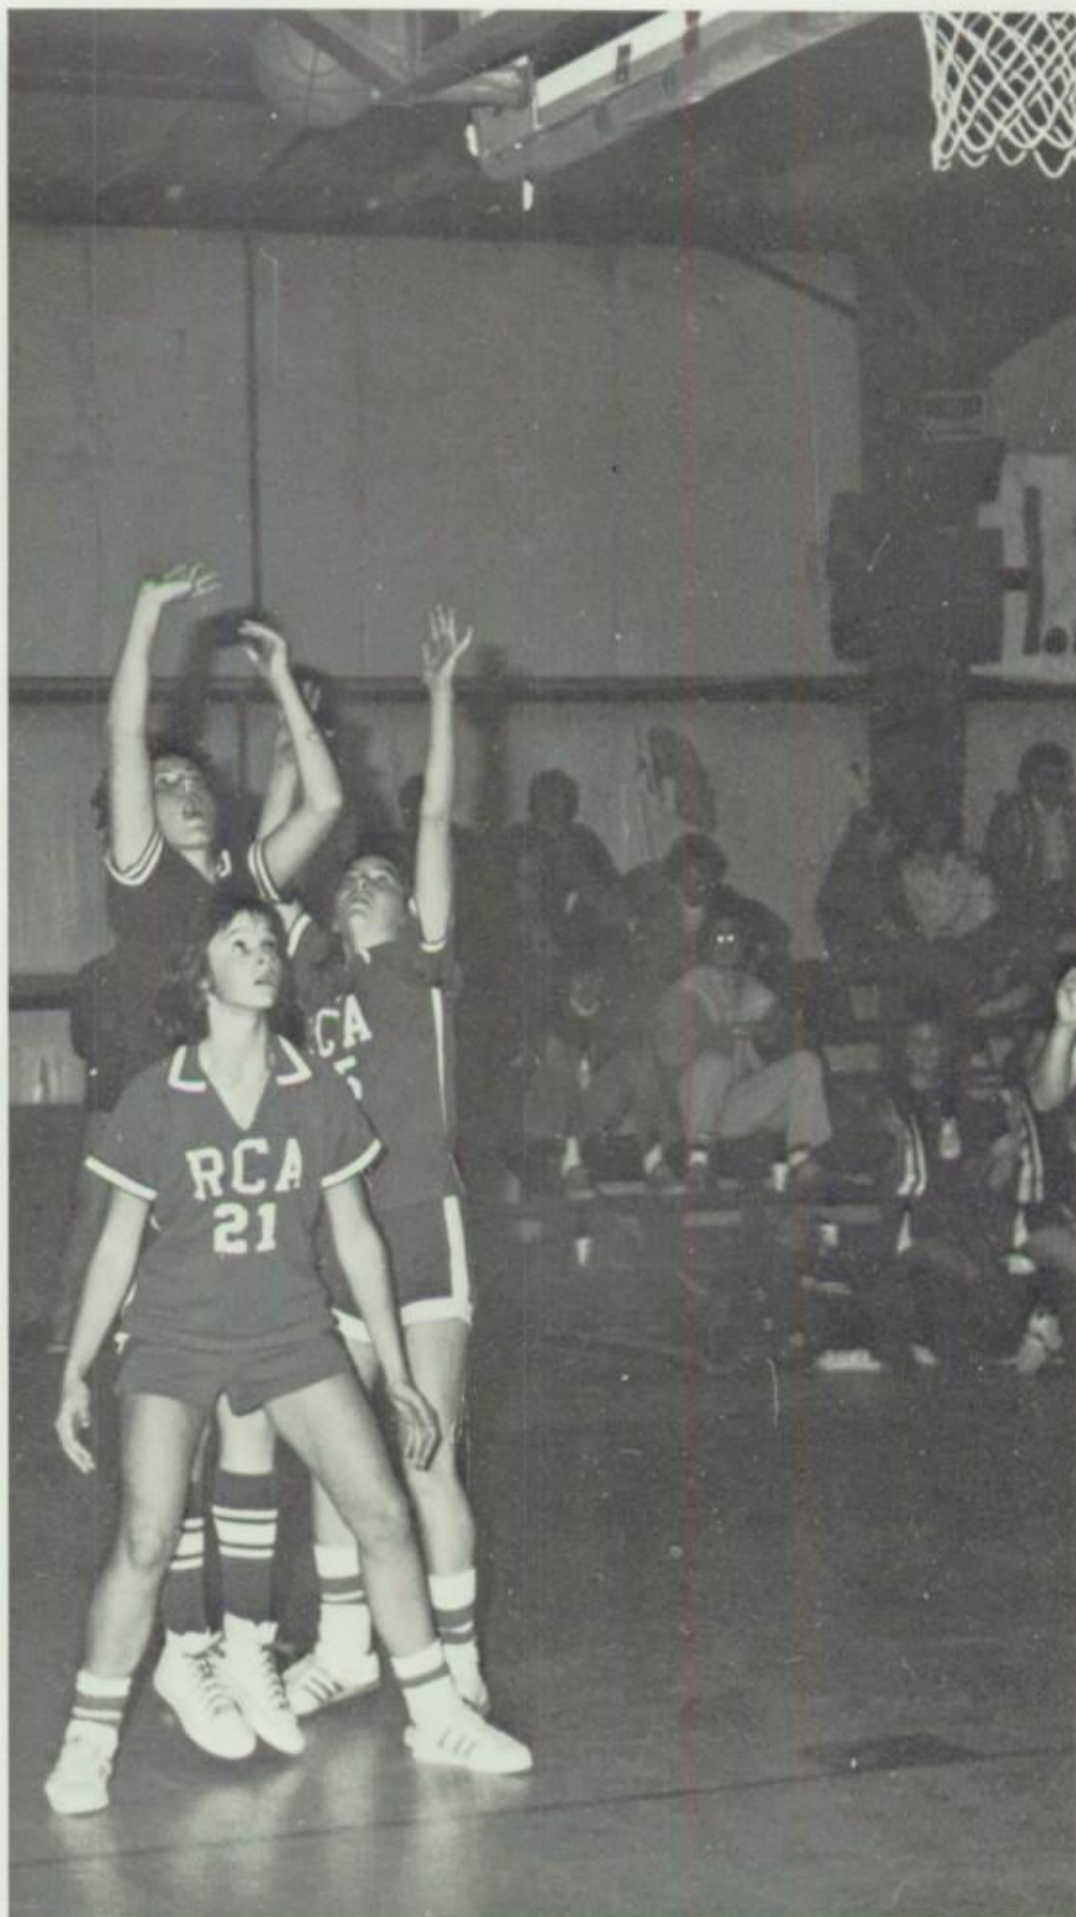

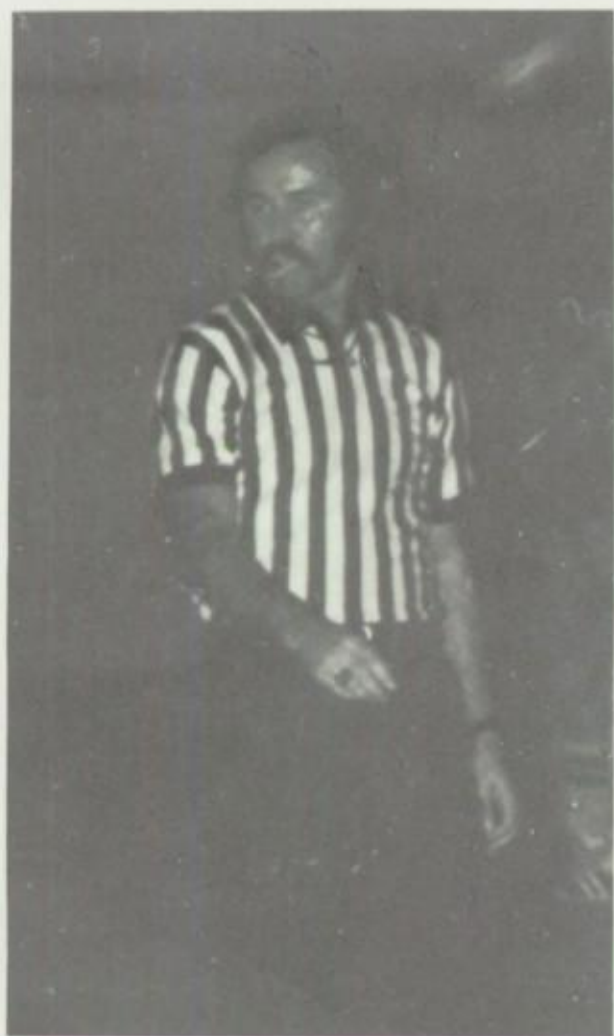

The girls' team of Halifax Academy has had a very good season so far this year. Even though they have lost three games they have all been non-conference games. In conference games the girls have been unbeatable. This is a good sign for years to come because they only have one senior member of the team. With this lack of experience the girls have still shown the other teams that they have very much talent. The fans of Halifax Academy should be very proud of the girls' team for working so hard to reach their goal, the conference title. We look forward to a great girls' team for several years to come.

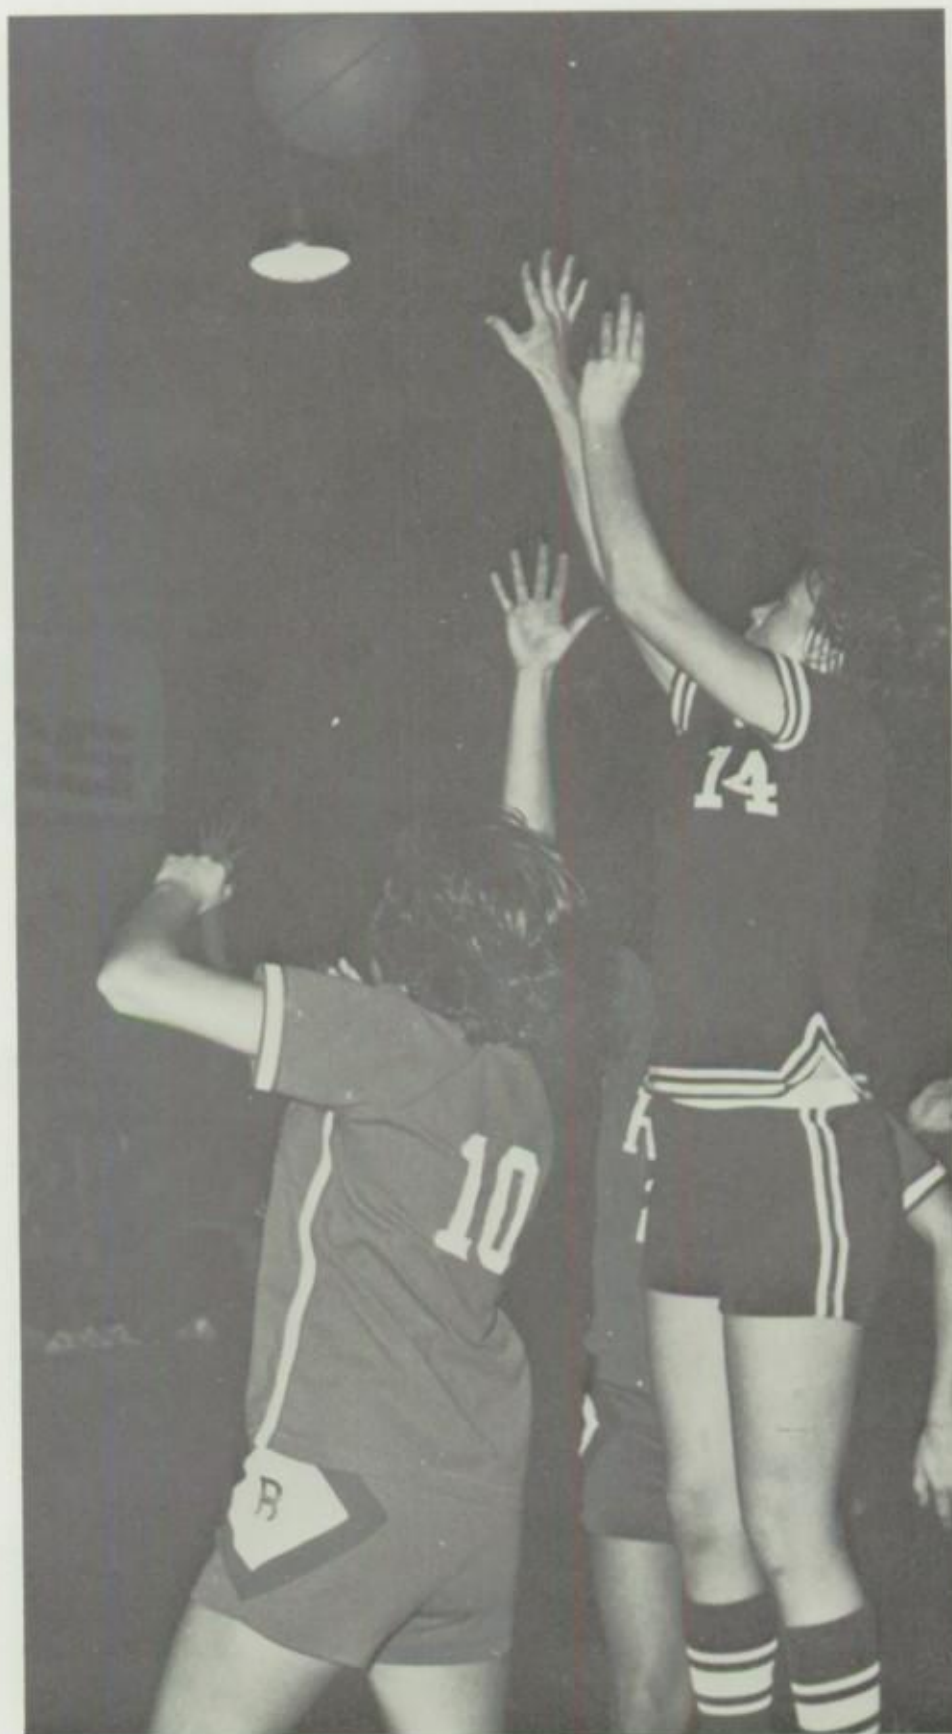

1976 ALL- CONFERENCE PLAYER

The girls' team of 1976 placed one member on the all CAC team. She was Nancy Fleming (left). She should be very proud to receive this honor especially when receiving it in her freshman year. The fans of the Vikings will see much more of her talents the next three years. Along with the many talents of the other players Nancy and the lady Vikings should be on top of the CAC for several more years.

The J. V. Boys are coached by Nat Vaughan. They had many close games this year, losing by only a few points. They showed lots of team spirit and never gave up.

The J. V. Girls were coached by Danny Hinnant. They won a few games and lost a few. They were hard working and very determined. The girls played as a team and always did their best.

J. V. CHEERLEADERS

The Junior Varsity cheerleaders deserve a lot of credit for all of their hard work. They not only spent time practicing and cheering for the boys' team on Tuesday and Friday nights, but they also cheered on Wednesday afternoons for the girls' team. Though carrying this heavy schedule, they never lost enthusiasm, and they are very proud of both teams.

VARSITY CHEERLEADERS

The work of a cheerleader seems easy, right? Well, not the cheerleaders at Halifax Academy. The cheerleaders have put in many hard hours of practice.

They not only cheer at ball games, but they hold Pep Rallies filled with skits and dances.

All this and more helps to boost the spirit of the entire school.

PATRONS

There could be no successful school year without the work and help of the patrons. These parents and friends of the school are always sponsoring one project or another. Projects vary from the Santa's Shop at Christmas and the basketball and football concessions to the spring and Halloween Carnivals. We, the students, will be forever grateful for the work and time they gave to the school.

That wasn't bad at all.

Will I ever finish?

Hurray! It's over.

It was May and everybody had Spring Fever. One of the highlights at Halifax Academy is the Junior-Senior. All of the high school looks forward to that evening in April or May when formal dresses, tuxedos, and bouquets come out. The Juniors work many hours and spend hard-earned money to try to put on the best prom of the school's history. Last year the theme of the Jr.-Sr. was "Stairway to Heaven." Everyone had a wonderful time and the gym was dressed up for its one time of the year.

★ Way Heaven

There are a few people who sometimes get overlooked. These are the waiters and waitresses from the Sophomore class. Last year the eight people were: Sue Smith, Keith Browder, Renee' Clements, Mike Joyner, Ann Browder, James Kerr, Laura Bradley, and Eugene Bryant. They did a great job and the Seniors would like to thank them again.

When the time came for a band to be hired for the Junior-Senior someone suggested a band out of Greenville. We chose time band and followed the "yellow brick road" to get "The Band of Oz." They were very good and really made the night.

GRADUATION

Graduation is the end of an old way of life and the beginning of a new one. On Friday, June 4th, the class of 1976 received their diplomas. The graduation speaker for the occasion was Albert Long of Durham, a member of the Fellowship of Christian Athletes. Joanne Thanos, as Valedictorian, and Susan Miles, as Salutatorian, both made speeches.

Cynthia Strickland

Each year the Beta Club has raised money to give a scholarship to a senior of their choice. Last year the most deserving senior was Cynthia Strickland.

Don Spragins

Receiving The Citizenship Award and being named Best All-Around are also very important. Don Spragins was last year's senior to be the recipient of the Citizenship Award. Cynthia Strickland and Gene Cobb were named Best All-Around.

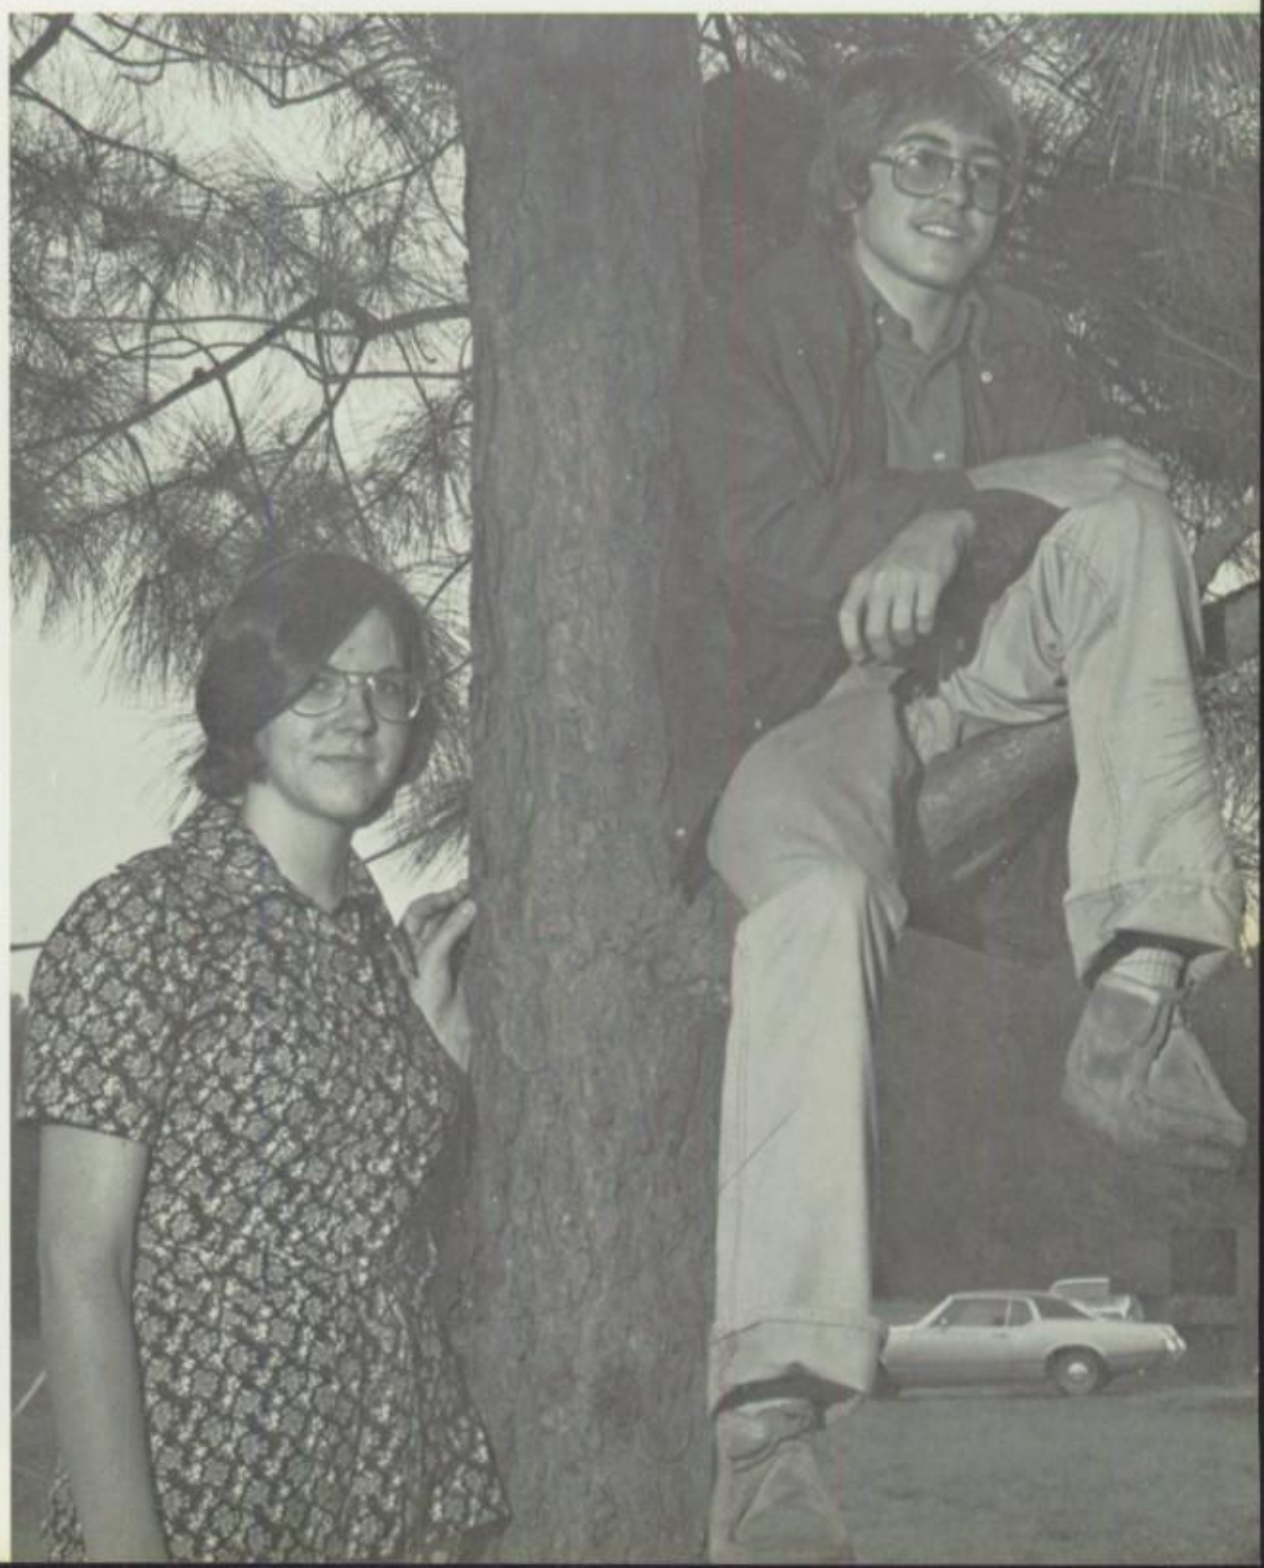

Gene Cobb

D. A. R.

Each year the Daughters of the American Revolution presents two awards. Kathy Cooke received the History Award which goes to the student with the most outstanding grades in eleventh grade U. S. History. Laura Cooke received the Good Citizenship Award which goes to the student who is active in her school, her community and has a good academic record. We congratulate them on their fine achievements.

The Woodmen of the World Award is presented each year to two outstanding students. One in the eleventh grade and one in the eighth grade in the field of United States History. Last year the eleventh grade award went to Kathy Cooke and the eighth grade award went to Joe Crawley. We are very proud of their scholastic achievements.

This is our 1976-77 Homecoming Court. The new Queen is . . .

. . . Brenda Copeland!

Senior Attendant Laura Cooke with her escort Ricky Davis.

Senior Attendant Gwen Harris with her escort Mike Inabinett.

Senior Attendant Patricia Jones with her escort Bobby McGuire.

The week of Homecoming was full of pep rallies, "backward ways" and people dressed up in the attire of the 50's. On October 15, 1976 the Homecoming Football game was played. We beat Rocky Mount Academy 40-8. During the halftime the 1976-77 Homecoming Court was presented on the football field. After the game there was a Homecoming Dance sponsored by the Student Government Association. "Big Al and the Mafia" from Lawrenceville played for us. Everyone had a real good time. At the dance the Court was presented again. Darrell Wilson, president of the SGA announced Brenda Copeland as the new Homecoming Queen. The 1975-76 queen Cynthia Strickland did the honor of crowning our new queen. This will be a night long remembered by everyone at Halifax!

WE PROUDLY PRESENT THE 1976-77 HOMECOMING COURT ATTENDANTS

HALLOWEEN

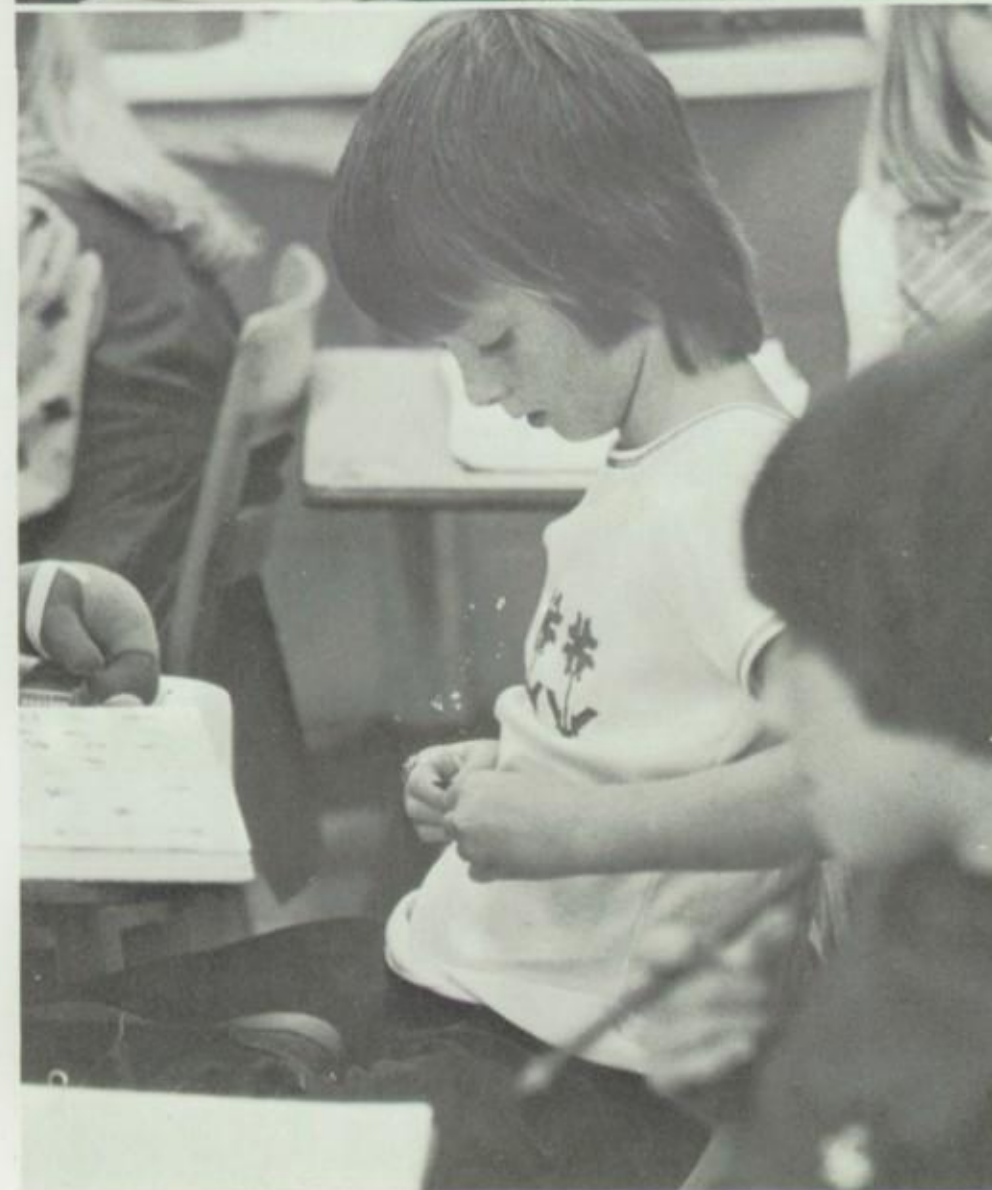

CARNIVAL

Usually when people talk about a carnival, you only think of the good times you have while its going on. Rarely do you think of the many dedicated people behind the scenes who work so hard in putting it together, and cleaning up the mess afterwards. Each year the patrons go through this to put together a successful carnival. Since this is an important fund-raising project, as well as a favorite school event, we hope they will always keep up the good work!

A black and white photograph of a modern bank building. The building has a dark, textured facade. A large sign is mounted on the upper part of the facade, featuring a stylized star logo followed by the word "Branch" in a large, bold, sans-serif font, and "BANKING & TRUST COMPANY" in a smaller, all-caps, sans-serif font. Below the sign is a wide glass entrance with multiple panes. The glass reflects the surrounding environment, including trees and other vehicles. In the foreground, the rear of a light-colored car is visible on the left side. The ground in front of the building appears to be a paved parking lot.

Mrs. Newell,
It has really been
nice having you as my music
teacher this year. I have enjoyed
being one of your students and I
have really enjoyed being out here this year.
You are a really sweet lady and I have had the
best of fun in piano this year. Thanks for all
the time you spent with me in lessons as well
as rehearsals for the recital. Thanks again for the
award and all these nice words. Hope I will be
back next year. Have a good summer and I hope
I see you soon.

Love ya,
Anta
